Author Sameena K. Mughal Publishes First Book Paying Homage to the Classic 1001 Arabian Nights with an added Modern, Feminist Twist

"Shaherazade's Daughters" is the first in this author and educator's line of novels addressing strong women in the Golden Age of Islam.

WEST CHESTER, PA, January 21, 2014 – In a world of genies and fairies, extraordinary women from all over the East make extraordinary journeys of the spirit, mind, and heart. In “Shaherazade's Daughters”, different women follow in the footsteps of the legendary heroine of 1001 Arabian Nights. This short story collection by Sameena Mughal pays homage to the classic tales yet adds a modern, feminist twist.

The diverse stories comprising “Shaherazade's Daughters” range from the adventurous and comedic to the dark and dramatic. Each offering explores the complex pathways to self-discovery.

Lovers of literature will enjoy this first novelette by Sameena Mughal, available through Amazon.
